

A close-up, shallow depth-of-field photograph of a computer keyboard. The keys are light-colored, possibly beige or off-white. The focus is sharp on the keys in the foreground, showing details like the '1' key with a tilde symbol and the '0' key with an equals sign. The background keys are blurred.

California State Information Technology Strategic Plan

2005-2009

J. Clark Kelso
State Chief Information Officer
State of California
WWW.CIO.CA.GOV

November 19, 2004

A close-up, slightly blurred photograph of a computer keyboard, showing several keys in the foreground and background. The keys are light-colored, possibly white or light grey, and the image is positioned on the left side of the slide, partially overlapping the yellow background.

Agenda

- Why Prepare the IT Strategic Plan Now?
- Planning Focus and Methodology
- Overview of Plan
- What's required to Succeed
- Next Steps

A close-up, slightly blurred photograph of a computer keyboard, showing several keys in the foreground and background. The keys are light-colored, possibly white or light grey, and the image is positioned on the left side of the slide, partially overlapping the yellow background.

Why Prepare the Plan Now?

- Pressure on State Government to Transform
- CPR and Government Reorganization
- IT Will Enable Government Transformation
 - Improve accessibility
 - Streamline operations
 - Enable interoperability
 - Improve IT infrastructure robustness and security
- Strategic Plan Will Guide Executive Branch IT
 - Provide roadmap to focus on statewide needs and priorities
 - Align IT infrastructure to enable higher performance
 - Implement strategic governance
 - Leverage investments for greatest benefit

Planning Focus and Methodology

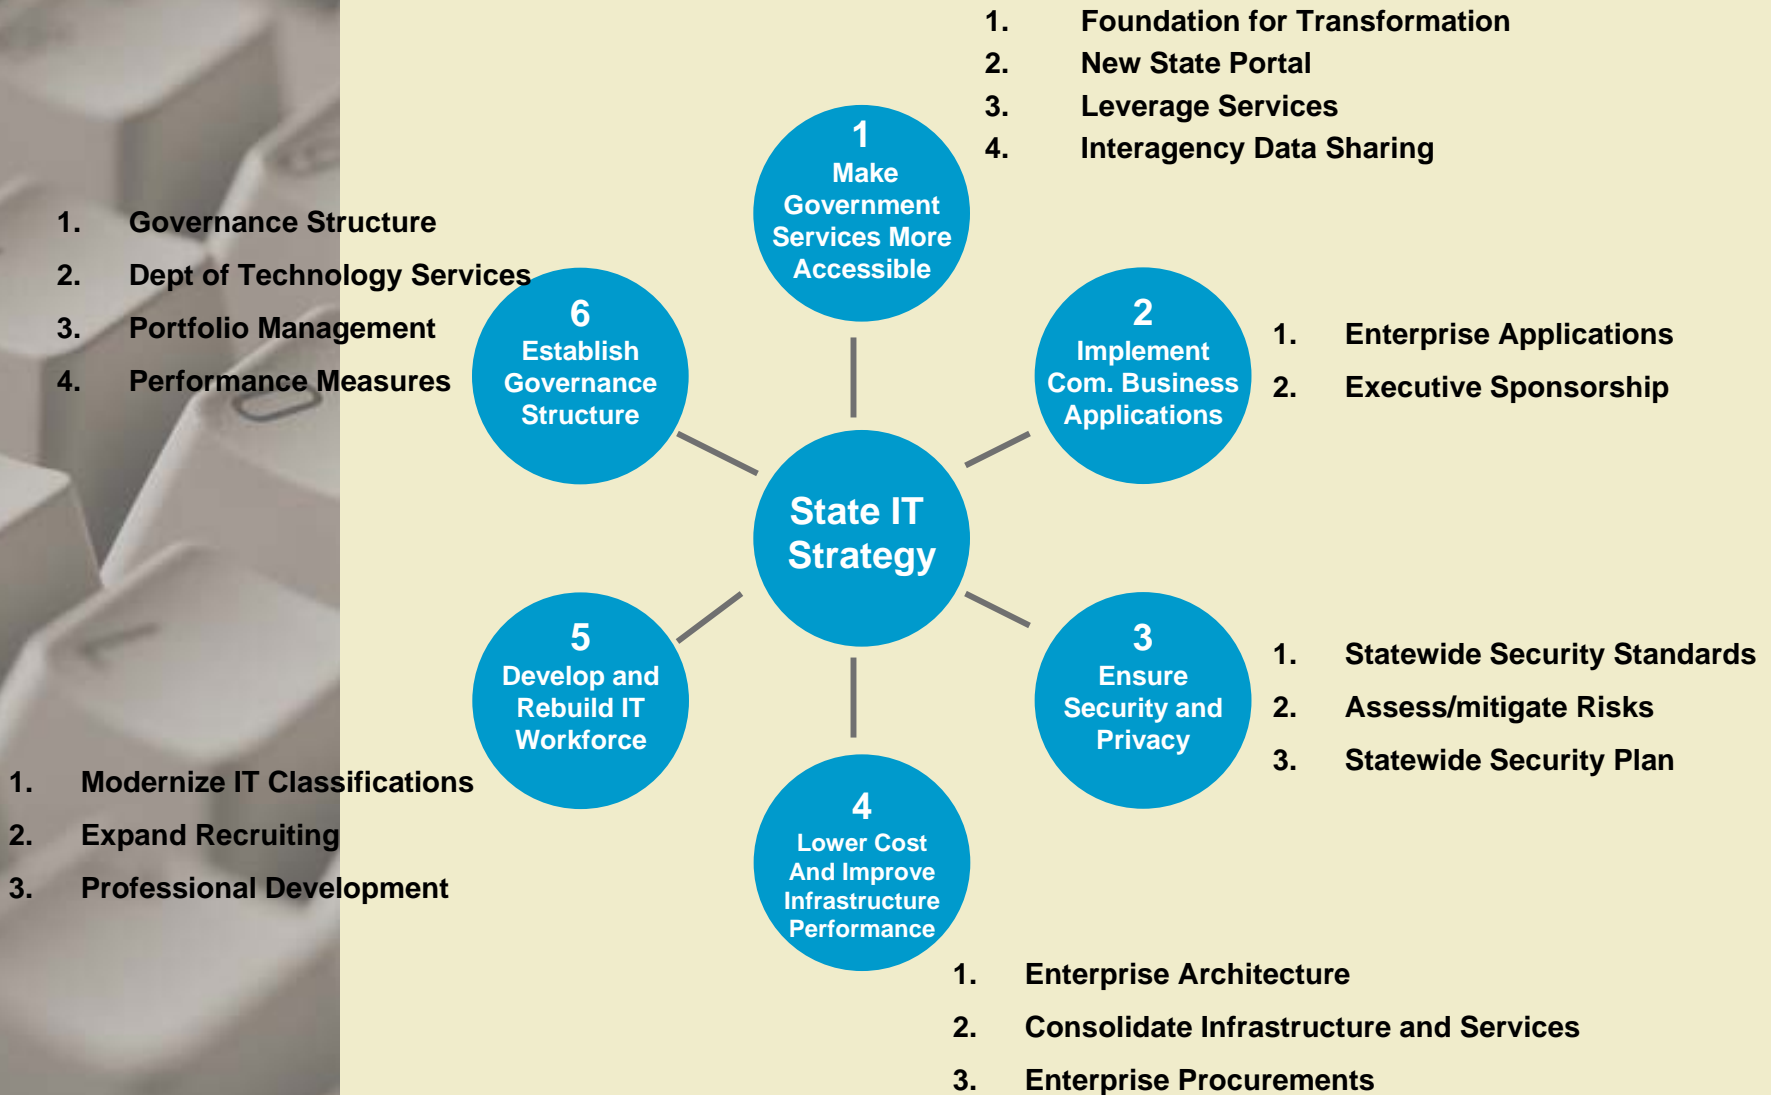

- 5-Year Focus with One Year Horizon
- Broad Input and Collaboration
 - Developed by IT Government leaders
 - Framework – Fall 2003
 - California Performance Review
 - IT Council & Strategic Planning Committee
 - Broad Public Vetting
 - IT Council adoption: October 29, 2004
- Review by Governor's Office

A close-up, slightly blurred photograph of a computer keyboard, showing several keys in the foreground and background. The keys are light-colored, possibly white or light grey, and the image is positioned on the left side of the slide, partially overlapping the yellow background.

Plan Content

- 6 Goals, 19 Objectives, 52 Actions
 - Making Services More Accessible
 - Implementing Common Business Applications
 - Ensuring Security and Privacy
 - Lowering Costs and Improving Infrastructure Performance
 - Developing the IT Workforce
 - Implementing Strategic Governance
- The Plan: *www.cio.ca.gov*

State IT Strategy

A close-up, slightly blurred photograph of a computer keyboard, showing several keys in the foreground and background. The keys are light-colored, possibly white or light grey, and the image is positioned on the left side of the slide, partially overlapping the yellow background.

What's Required to Succeed?

- Recognize IT Will Enable Government Transformation
- Support the IT Strategy and Initiatives
- Get Involved, Stay Informed, Remove Barriers
- Provide Business and Program Input

A close-up, slightly blurred image of a computer keyboard, showing several keys in the foreground and background. The keys are light-colored, possibly white or light grey, and the image is positioned on the left side of the slide, partially overlapping the yellow background.

Next Steps

- Strategic Plan Approval by Governor
- Consolidation Plan Approval by Governor
- Strategic Sourcing In Development
- CPR Reorganization and Other Recommendations
- Start Now –

ACTION, ACTION, ACTION!
